**35 YEARS  
OF EXCELLENCE**

### CORE ROOT:

Rathinagiri Bageerathan Matriculation Higher Secondary School was founded by revered Thavathiru Balamurugadimal Swamiji on 19th Aug. 1987. The core purpose of education is to provide children with a learning environment which bring out the best in them. It was raised with its motto of "Discipline, Devotion and Divinity" to educate and inculcates values in children. Swamiji believes that every child is endowed with a unique set of attributes and abilities which needs to be nurtured to blossom. Our pedagogy is child centric with emphasis on overall growth and development of our students.

Rathinagiri Educational Trust provides learning environment that inspires and motivates children and encourage them to explore limitless possibilities in their quest for knowledge. We provide rich environment with many enjoyable learning experience by exquisite platform to hone their creative and interpersonal skills. Our accomplishment over the past 35 years and our reputation as one of the top schools exemplify the success and vivid learning experiences at school. In our school teaching is not about knowledge transfer but fostering excellence. Education system of our school besides providing all-round education intellectually, socially, emotionally and physically also offer guidance in critical thinking, social openness and purposeful research. Students are given opportunities to develop their own talents as well as to be aware of national and global issues. The school provides training guidance and platform through various club to showcase their talents. Children are given ample opportunities to identify and develop their abilities of interest in dance, sports, designs and arts. Our organization is not to help each child to make career but get in touch with inner creativity.

#### VISION:

Our vision is to uplift the rural children and develop them to compete through appropriate educational inputs. Dare to dream.....learn to excel with discipline, devotion and divinity.

#### MISSION:

Our mission is to provide thematic learning and imparting humanitarian spirit to develop as a vibrant and responsible citizen of the society. Our mission is to provide high quality education and child care environment that builds foundation for lifelong learning. We work together to build respectful and nurturing environment focused on child's sense of wellbeing and acquisition of skills for life.

We educate all students to the highest level of academic achievement to enable them to reach and expand their potential and to prepare them to become productive, responsible, ethical creative and compassionate members of society. We prepare young women to pursue their aspiration and contribute to the world. We strive to support their environment by building more inclusive curriculum addressing a range of learning styles offering a wide array of diversity efforts and programs. Our school empowers all students to embrace learning, achieve their personal best and physical well-being. We are dedicated to a continuing tradition of excellence in an ever changing world.
